Watchperson Responsibilities

- ? You are responsible for making sure the person in the confined space is okay. You must have a portable phone at hand, so you can call for help if there are problems.
- ? You cannot smoke while you are serving as the watchperson.
- ? Make sure you can see or hear the person in the confined space at all times. If you cannot hear the person moving around, call for help.
- ? If the person in the confined space is injured (breaks a leg, gets a cut) **and** the meter is not alarming, call 911 (the Fire Department). You can then enter the space to help the worker get out.
- ? If the person in the confined space stops moving or doesn't respond to your signals, **call 911 (the Fire Department)** and request help immediately, then call the shop. **Do NOT enter the confined space.** Use the lifeline to retrieve the person, if you can.
