# The Re-Kindling Project — GRSF Style!

WSU Green / Lake Lodge Recreation Center

Friday, July 5 (10722) · 7:00-10:00pm

Pre-registration is required but FREE.

GRSF is thrilled to partner with Park & Rec to provide free childcare while parents spend an evening at the theatre! Parents and children can kick off the fun by enjoying the free Concert on the Green on the WSU campus starting at 5:00pm. Food trucks are available, or bring your own picnic and enjoy yard games and live music. At 7:00pm, Park & Rec staff will supervise a “walking bus” from the WSU Green to Lake Lodge while parents head to the theatre for a performance of Georama, a new musical about American Artists John Banvard and his life on the Mississippi River (purchased tickets are required to attend the show, available online at [www.grsf.org](http://www.grsf.org) or at the GRSF Box Office). Meanwhile, at Lake Lodge, GRSF Education Team members will lead theatre-based games appropriate for varying ages, and the Park & Rec staff will supervise & facilitate all sorts of fun and games. At 10:00pm, the walking bus will return to the theatre for parents to pick up their children following the performance. Space is limited. Pre-registration through the Park & Rec department is required. ([www.CityofWinona.com](http://www.CityofWinona.com)). Ages 3-12.
