

CITY OF WINONA EAST END NEIGHBORHOOD REHABILITATION PROGRAM

**A PROGRAM TO ASSIST IN
FINANCING HOME IMPROVEMENTS
AND REPAIRS.**

Purpose:

The purpose of the East End Neighborhood Rehabilitation Program is to assist eligible applicants with loan funds to rehabilitate their home while incorporating Green Rehabilitation Standards. Typical improvements may include roof, electrical service, window repair/replacement, insulation, furnace, water heater, and other approved improvements.

Applicant Eligibility:

Applicants must reside in the target area; from Mankato Avenue to Steuben Street and from Fifth Street to Howard Street.

The applicant must own a minimum of one-half interest in the property and occupy the property as a principal place of residence.

The applicant's income cannot exceed 80% of median income for Winona County:

Current 2015 Limits Are:

<u>Family Size</u>	<u>Income</u>
1	\$39,050
2	\$44,600
3	\$50,200
4	\$55,750
5	\$60,250
6	\$64,700
7	\$69,150
8	\$73,600

Process for Applications:

Applicants must provide verification of income. The Department of Community Development will review income to determine if the applicant is eligible for a loan.

Deferred Loan:

The loan is a 10-year deferred loan to the homeowner. The loan is zero percent interest; due upon sale or at the time that the property ceases to be the principal place of residence of the borrower within the 10-year period.

Most loans will be a combination of a bank loan secured by the homeowner and a deferred loan through the program.

Example – \$20,000 in home repairs. Homeowner's share is determined to be \$2,000. The owner would secure \$2,000 from a bank and the remaining \$18,000 would be a 10-year, zero percent interest loan due upon sale or at the time the property ceases to be the principal place of residence within the ten years.
