

PINT SIZE SCIENCE

Every Wednesday in January at 10:30 AM

For ages 2-5. This hands-on class gives your pint-sized scientist the chance to create & explore!

Week 1, Jan. 4: Weather

Tornado in a jar and rain in a cup!

Week 2, Jan. 11: Chromatography

Fun with color mixing!

Week 3, Jan. 16: Magnetism

Experiment with what is magnetic and what isn't!

Week 4, Jan. 25: NO CLASS

The library is closed for staff development. Sorry!
